For fitteen years I was afficied with rheumatism, four years of which I was compelled
to go on crutches. Words are insiequate to
express the suffering I endured during that
time. During these fitteen years of existence (it was not living), I tried every known
remedy without receiving any benefit. I
finally began on Swift's Specific 18. S. S.),
which from the first gave me relief, and today I am enjoying the best of health, and an
a well man. I candidly believe that S. S. S.,
is the best baood purifier on the market today.
